

Hackathon and other renowned institutions. Our students have published many papers in reputed journals.

- The Department organizes M-Apps club through which the students are given training and encouraged to develop Mobile Applications that is useful for the society.
- A team is in a process of developing an application for the Ayurveda Medical college of our institution.
- Every year our students are hired for internships with Zoho, Inautix, Amazon and so on.
- Students are given Technical exposure through Skillrack and Amcat Trainings.
- The department is accredited by the National Board of accreditation, AICTE.
- It has the privilege of getting funds up to Rs.50 lakhs sponsored by various Government Organizations like AICTE, DST, ISTE, etc. for various innovative and social relevant projects of high caliber.
- The department has been a key player and a pivotal point in holding the prestigious membership of the ISTE student chapter (highest number of student participants in Tamil Nadu)
- The department has been organizing IEEE International Conference on Computing and Communication Technologies (ICCCCT'15), for the past three years. All the papers presented were published in IEEE Xplore Digital Library.

OBJECTIVES

The Department is planning to expand the technical opportunity for the students in a wide span through InternsMela'19 where,

- The talented budding Engineers can be hired for internship over a period of one to two months with stipend.
- Through internship our students will gain experience, develop skills, make connections and strengthen their resumes
- The students will gain practical knowledge through industry experience.
- They will be exposed to new technologies needed for their career.
- Internship will help students attend placements with confidence.

In this regard the department of Information Technology is soliciting your acceptance and presence for a meet with our students.

One day Internship Hiring Process Internsmela'19

Monday, 28th January, 2019

In association with
IEEE - COMPUTER SOCIETY

Organized by

Department of Information Technology

Sai **SAI RAM ENGINEERING COLLEGE**

Accredited by NBA and NAAC "A+" | An ISO 9001:2015 Certified and MHRD NIRF ranked institution

Sai Leo Nagar, West Tambaram, Chennai – 44

Tel : 044 - 2251 2222 www.sairam.edu.in

THE INSTITUTION

Sri Sairam Engineering College, Chennai, established in the year 1995 by MJF.Ln.Leo Muthu, Chairman of Saphthagiri Educational Trust, is a non-profitable, and non-minority institution. A well defined vision, highly committed mission and dedicated leadership facilitate Sri Sairam Engineering College to be in the best of educational institutions in the country. Since its inception, our Institution has grown into a vast conglomerate of magnificent buildings, state-of-the-art and sophisticated laboratories internet centres, modern library and a superlative sports complex each a land mark in itself across 300 acres. Its quiet and idyllic surroundings, comprising of the architecturally and aesthetically designed buildings, the sports playgrounds and the lush greenery make it one of the most preferred destinations for the aspirants of Engineering studies. The College is affiliated to Anna University and is also approved by the All India Council for Technical Education, New Delhi.

Today Sri Sai Ram Engineering College has developed into a reputed Engineering Institution with NAAC Accredited with 'A+' Grade and ISO 9001:2015 certifications, and this year, all our eligible Engineering Courses got accredited by the National Board of Accreditation. Technical bodies like ISTE, IEEE, SAE, ISA, ISOL and IETE are vibrantly functioning with workshops, guest lectures and conferences. NSS, YRC, National Environment awareness campaign, Energy and Eco-Club are religiously conducting various activities. The department of Training, and Counseling and Placement is another sphere where we have made excellent strides. For offering top

quality technical education and molding the younger generation to the society, our Chairman has spared no efforts to induct dedicated faculty and provide adequate infrastructure facilities.

IMPORTANCE OF THE CONVENTION

The department of Information Technology, established in the year 1999 with an intake of 44 students has now grown exemplarily with an admirable intake of 120 students. The department presently has a dedicated team of 27 faculty and total of 315 students. The department takes august responsibility in organizing guest lectures, seminars, workshops and training programs with the help of engineers and academicians of national and international repute to help students to keep abreast with the latest developments in the field of information technology. Students are made to embolden future technology and master the art of computing by encouraging them to think futuristic by catalyzing Research and Research related activities through the Research and Development cell. As a result of the department's forthright Research activities, numerous students from the Department of Information Technology have placed their foot prints in numerous International and National forum.

STUDENT ACHIEVEMENTS

- Our department students have been performing excellently in curricular and co-curricular activities, The student's candid and decisive results in university exams with excellent grades, university ranks and Gold medal.
- They have bagged prizes and cash awards in many events organized by NASSCOM, Smart India
