

Sri Sai Ram Engineering College

Department of Information Technology

Name: R.AZHAGUSUNDARAM	
Designation:	Assistant Professor
Qualification:	B.E, M.E, (PhD)
Area of Specialization:	Information Technology
Experience:	Teaching: 5.3 Yrs. UG: -
	Industry:-6 Yrs
No. of workshop/Conferences/ FDP attended :	FDP/Workshop-2
Publication:	Journal International:-4

Achievements:	<p>96% Result in Programming for Problem Solving, Cyber Security, Operating System, Java Programming, Principles of AI, Big data Analytics,</p> <p>Over 2000 students got qualified in various NPTEL programme (Year 2022-2025)</p>
----------------------	--

Workshop/Conferences/FDP attended:

- 1.Participated in the Workshop on “Microsoft Power BI” held on 14th Nov 2022 at King’s Engineering College
2. National level Faculty Development Program on “Recent technologies” on 6th Dec, 2022 at Satyabama University
- 3.Attended Faculty development programme at Chennai Institute of Technology at 2023

PUBLICATION DETAILS:

1. Published a paper entitled “Secure and Efficient POS billing Software” in a “ International Journal Titled IJIRT on April 2025
2. Published a paper entitled “An Effective Approach to Detect Skin Cancer Using Deep Learning” in a International Journal Titled IJIRT on April 2025
3. Published a paper entitled “AI Enabled Early detection of Lung Cancer through Image Analysis” in a International Journal Titled IJIRSET on April 2025
4. Published a paper entitled “THE DIATRACK – Diabetes Type Detection using AI And Machine Learning Titled International Journal of Innovative Research in Science Engineering and Technology (IJIRSET) on April 2025
