CAMPUS OVERVIEW

Sri Sairam Engineering College (An Autonomous Institution), Chennai, established in the year 1995 by MJF. Ln.Leo Muthu, Chairman of Sapthagiri Educational Trust, is a non-profitable and a non-minority institution. A well-defined vision, highly committed mission and a dedicated leadership facilitate Sri Sairam Engineering College to be in the best of educational institutions in the country.

Since its inception, the institution has grown into a vast conglomerate of magnificent buildings, state-of-the-art laboratories, sophisticated internet centers, modern digital library block and a superlative sports complex, each a landmark in itself across 300 acres. The institution is situated in a sprawling campus with architecturally and aesthetically designed buildings, blocks, stadiums, auditoriums, hostels, gymnasium and the sports grounds. This institution is affiliated to Anna University and approved by the All India Council for Technical Education (AICTE), New Delhi.

DEPARTMENT OVERVIEW

The Department of Information Technology starting from the year 1999 with an admission of 44 students has now heightened to a sterling input of 240 students. The Department is supported by a staunch and steadfast squad of 35 faculty.

For the students to be au courant of the newest technologies and the developments occurring in the field of information technology, the department takes the utmost and due concern by marshalling Guest lectures, seminars, workshops and training programs with the aid of “The Best” engineers and academicians from national and international reputes.

MESSAGE FROM DEAN NETWORKING

I extend my heartfelt appreciation to the Department of Information Technology for its consistent commitment to academic excellence, innovation, and industry collaboration. The department continues to nurture a vibrant learning ecosystem through hands-on training, impactful research, and active of our student engagement in technical forums and competitions.

The remarkable achievements of our students and faculty stand as a testimony to their dedication and vision. With its strong focus on emerging technologies and real-world problem-solving, the IT Department is shaping future-ready engineers who will contribute meaningfully to society and industry.

✨ Together Towards Tomorrow ✨

MESSAGE FROM HOD

Dear readers, On behalf of the entire branch of Information Technology, I take great joy and pleasure in publishing the newsletter for Infovista'25. Our newsletter presents a truly perfect platform for students to express their views on exciting technologies, current features and developments.

The newsletter enumerates the various activities and achievements of our faculty and students. The department strives to produce confident professionals tuned to a real time working environment. The department offers an excellent academic environment with a team of highly qualified faculty members to inspire the students to develop their technical skills and inculcate the spirit of team work in them. The publication additionally consists of the listing of achievers therefore to honour them on an equivalent level to inspire their paintings additionally.

"It is what you read when you don't have to that determines what you will be when you can't help it" said Oscar Wilde. I would also like to thank our college management for helping us transform the vision of "INFOVISTA'25" into reality.

WHAT OUR ALUMINI SAYS

My journey at Sri Sairam Engineering College's Information Technology Department has been truly transformative. The department provided the perfect blend of academic excellence and practical exposure. The faculty members were always approachable and guided us with patience and dedication. The projects, workshops, and placement training sessions played a crucial role in shaping my technical and professional skills. I am grateful to have been part of such a nurturing environment that constantly motivated me to strive for success.

-YATHISH KUMAR S, IT 2025

Reflecting on my time in the Information Technology department, I am filled with gratitude. The curriculum was well-balanced, offering a strong foundation in areas like web development, cyber security, and IoT. The faculty's expertise and support made learning both interesting and rewarding. I am thankful for the opportunities and support I received. To current students, I encourage you to embrace the challenges and make the most of your journey here—it's an experience that will prepare you well for the future.

-CHIDAMBARA RAJA G, IT 2024

Being a part of Sairam Engineering College's IT Department was one of the best experiences of my life. This place has not only expanded my thoughts but also changed my future. I am really happy to be a Sairamite, where the tireless care and compassion of the personnel made all the difference. Their mentorship in academic and non-academic concerns laid the foundation for my journey. I consider myself privileged to be part of an inspiring and encouraging atmosphere.

-SRINIDHI M, IT 2023

I found the IT department at Sri Sairam Engineering College to be supportive and inclusive. The faculty and staff were encouraging, fostering a safe and positive learning environment. With good infrastructure and strong placement opportunities, the department helped me build a solid career foundation. Overall, it was a rewarding experience that empowered me both academically and professionally.
